| BACKGROUND: | The Pan Africa Conference in Illicit Financial Flows and Taxation is an Annual convening that brings together key stakeholders involved in efforts to curb IFF and enhance domestic resource mobilisation in Africa. The platform draws together actors from governments, civil society, International organisations, legislators, media, academia and national campaigners to take stock of the current state of play Illicit Financial Flows agenda in Africa as well as progress made through global, regional and country level initiatives. The conference seeks also act as a platform to articulate problems and propose solutions and explore opportunities for collaboration and common action. For more information about the conference and program, please visit https://panconfifftax.net/ |
